

PATIENT ADVOCACY ORGANIZATIONS

Engagement with advocacy organizations has brought the patient voice to PeDRA and our research partnerships. This synergy has been rewarding for everyone involved and has spawned some important collaborations and contributions.

Patient advocacy organizations both attend and sponsor PeDRA's conference. There are many competing priorities for use of these organizations' resources yet several choose to allocate funds to PeDRA each year.

Thank you to the following organizations for their 2017 support:

\$12,500

- \$2,500 for Annual Conference
- \$10,000 for Study on Stigma for Children with Skin Diseases

\$11,500

- \$1,500 for Annual Conference
- \$10,000 for Study on Stigma for Children with Skin Diseases

\$6,500

- \$1,500 for Annual Conference
- \$5,000 for Study on Stigma for Children with Skin Diseases

\$5,500
